I was married for 45 yrs, (deceased) I met my husband when I was a sophomore in high school We had three children son(deceased) , 2 daughters. I have an 8 yrs old grandson who is the light of my life.

I worked for the Mental Health Association for 17 yrs, as a Volunteer Coordinator and started 21 Friendship Center in San Mateo County, for the mentally ill; they are still thriving.

After a couple years off due to my husbands health, I went to work in the senior community, and became an Administrator of Assisted Living. I started the first free standing Alzheimer's unit in San Mateo and San Francisco County.

I am currently President of The Crystal Springs Chapter of the American Business Women's Association and also Vice President of International Association of Administrative Professionals.

I volunteer at San Mateo Senior Center that is very rewarding. I have had a full and exciting life and look forward to enjoying every minute that remains!
